Thank You

2010-2011

Joined and collaborated with a pre-existing group. Toured Europe twice along with some shows around the eastern United States

Annex Theater ensembles

2009-2010

Joined a music ensemble to play pre-existing music to 2 Annex Theater productions: "The Point" (2009) and "Fantastic Planet (2010). There was a small Northeast tour for Fantastic Planet after the Transmodern Festival performance of 2010.

"Children in Heat"

2009

Made for video artist Deirtra Thompson. At the request of the artist, in collaboration with Emmanuel Nicolaidis, we transformed a pre-existing song into a women's vocal piece

Golden Age

2007, 2008

A song cycle written for the Inside/Out opening at Current Gallery. It was performed again at the Whartscape Festival of 2008

More Dogs

2000-2006

A studio project, turned into a performing trio. We released 2 albums S/T (2003) and "Never Let Them Catch You Crying" (2005). We toured the United States and Eastern Canada.
